April 26, 2017

Dear Parents:

The calendar adopted by the Board of Education for the 2016-2017 school year anticipated five emergency closings due to inclement weather. As you know, the unusually warm and dry winter only required the use of two (2) of the five (5) snow days that were built into the calendar.

After reviewing a variety of options, we determined that the most advantageous approach is to modify the calendar in a way that is best for families.

2016-2017 School School Calendar Revisions

In order to return the three (3) unused snow/emergency days, the revisions below were approved by the Board of Education at the April 25, 2017 Board of Education Meeting.

Friday, May 26, 2017	School Closed, extending Memorial Day Weekend
Wednesday, June 14, 2017	One Session Day for Students Only
Thursday, June 15, 2017	Last Day of School: One session Day for Students <i>Staff will follow the usual protocol, for the last day of school.</i>

If any additional emergency days become necessary between now and June 15, 2017, the last day of school will be altered.

Very truly yours,

Ms. Susan Ciccotelli
Superintendent of schools
