

Parent Survey Results 7.8.20

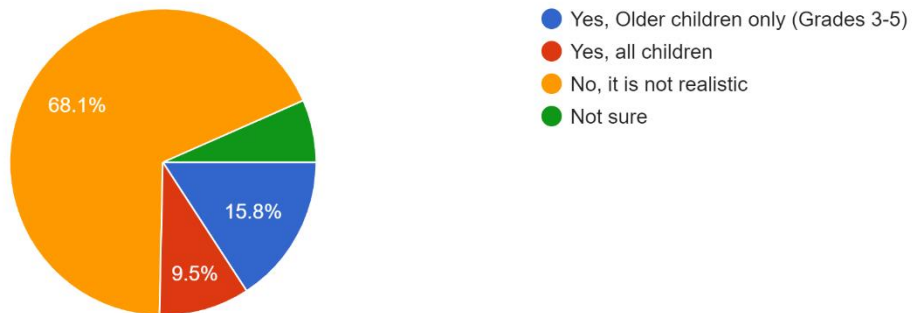

Which of the fall scenarios are you most comfortable with?

576 responses

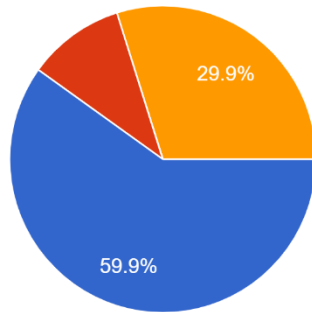

In your view, is it realistic to expect school-age children to wear masks, all day, in a school setting?

576 responses

If schools open and in-class learning occurs in the fall, will you send your child back?

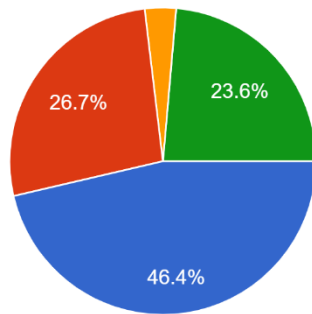

576 responses

- Yes, I believe schools will be safe enough through social distancing and masks
- No, I will keep my child home until I feel it is safe for him/her to return
- Not sure

If schools open and you will send your child back, will you send him/her on the bus?

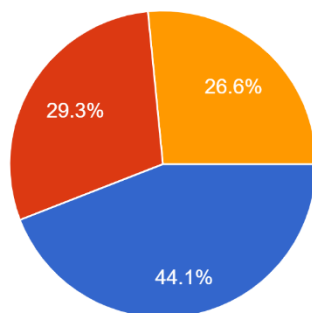

576 responses

- Yes
- No
- My child will not return to school for in-class instruction
- Not sure

If we can resume in-class learning and students can only come in 2-3 days, would you have child care options for the days he/she stayed home for remote learning?

576 responses

- Yes
- No
- Not sure

Does your child have access to technology for remote learning?

576 responses
